

Inter-Class Meet Opens Tartar's Track Season

(Continued from Page 1-C)

Ter, voted last year the most valuable player on the Bee football team, should break the tape in the sprint events to add to the team totals.

Two boys still suited up in Bee basketball units will be out for track as soon as the hoop schedule is completed. Both boys, Bill Wernett and Roland Higgins, are high jumpers.

High point man on the Bee squad could easily be Milo Goetsch, a high and low hurdler and a shot putter deluxe, who is a holdover from last year. Dick Cloward should be able to put the shot out in the point zone to vie with Jim Webb, who took second in the city meet in the Cee division last year.

Jack Stevens will be setting the pace in the 660 while an-

other Jack should turn out to be an ace in the pole vault. Jack Dean is the boy. Dave Baker turned in an early 10.9 for the 100.

Among the Coes the cream of the crop looks like Norman Stock, a nifty little sprinter. A freshman who may be showing his heels to some of his upper classmen is Armais Dandoy, a 660 man.

Frank Schmidt can handle the shot put event and Coach Cole is counting on him to bring home some of those hard to get points.

Among the other spikemen who will be expected to garner some points are Jack Hood, Phil Wall, Bob Yoes, Bruce Smith, Jack Rembo, Max Robinson, Dick Oefinger, Richard Perez and his cousin Al Perez.

In the Bees watch Vic Ordaz, Rudy Flores, Pete Douroux and Frank Faren.

With Les Curtiss, Bud Nieman and Chuck Hamilton all hitting for six points the Sentinels Bees topped Torrance in the preliminary to the varsity affair. The games top scorer, however, was Captain Bob Le Blanc of the losers, who accounted for seven.

The Tartars looked good on defense but managed to drop in only six field goals in the entire contest.

Co-Champ Guachos Nab I 'All' Berth; S.P., 2

The oddest thing about this year's All-Marine League basketball team is the fact that Narbonne, which won five games, and lost one during the past season rates but one man on the first five, San Pedro, which won precisely one and lost five, placed two men on the All-Marine starting five.

Paul "Lefty" Pettit, deadeye Narbonne forward who closed the season with a scoring rush, made the first team as selected by the All-Southern California Board, in cooperation with the Helms Athletic Foundation.

Only a sophomore, Pettit also shines as a baseball pitcher in the spring.

Francisco Pacheco, of the co-champion Banning quintet, the league's high scorer was named to the other first-string forward position. Pacheco racked up 90 points in six games of league play.

Tom Lovrich of San Pedro won the first string center berth over Narbonne's tall Bob Fresenius.

Wayne Snell, of Banning, who later was placed on the first string all-city five, captured first team All-Marine League guard. The other guard position went to Edgar Johnson of San Pedro.

Three Guachos were placed on the second team. Earning berths were Forward Bob Gazeley, Center Fresenius and Guard Bill Brown of Narbonne; William Carr, Banning, captured the other second string forward spot, while the other guard post went to Bob Karbach, Gardena's only representative of either team.

Variety Show Is Presented

A variety program for Perry School pupils and parents was presented on Friday afternoon. The program was planned by the Student Council under the sponsorship of Lester Clemens, sixth grade teacher.

Janice Hood opened the program with a tap dance number, "The Waltz Call." A sextette from the sixth grade composed of Mary Belle Cowie, Chlye Fujiwara, Florence Hurtado, Ronald Cinquanta, Henry Valdez and Billy Almeida sang "Down in the Valley." Nancy Gibson and Judy Hood, cleverly dressed as Dutch maidens, did "The Dutch Dance"; Lucile Torrence, Chlye Fujiwara and Linda Van Bellehem were members of a violin trio which played "The Concert Song"; Shirley and Judy Packham sang "Sioux City Sue"; Joan Lewis did a polka tap number; "I'll Dance at Your Wedding" was sung by Linda Van Bellehem and Joan Lewis. Janice Hood and Nancy Gibson concluded the program by doing a novelty tap number, "Out-Back-Downs."
